Eligio-

I know there has been discussion about offering this to HOA's. Do we have a contact with the Chamber of Commerce who might be able to help us get this out to the business community? I'm confident there are businesses in town that would like to sponsor a camera. I can't help but wonder if Home Depot, Costco, or any other businesses in some of the large shopping centers would want to purchase come cameras. Please share your thoughts.

Eligio –

Attached are the brochures from Flock Safety that can be shared with HOA groups if they would like to add ALPRs and share the data with SMPD.

Thank you,

Dan
